LOUISIGUA.

TO OUR PRIENDS Gentlemen who arrive from the United States with late papers, will confer a favor by leaving them at the counting room of the APPEAL office. or at the editor's room, over GEO LAKE's store, tient door north of the Collins House. In thes days of uncertain mails from the South and blockade on the North, our facilities to furnish the latest news from all quarters can be greatly increased by a little attention on the part of our friends, for which we shall ever remain grateful. Parties from above will confer an especial favor by furnishing us any Northern papers in their possession.

THE NEWS FROM KENTUCKY. We give to-day reports from Kentucky, both from Northern and Southern sources. From al. the intelligence that has come to hand, we entertiin no doubt but that our troops are again victirious, and that the enemy are again on the defausive, after baving anff-red severe losses.

SALT-ANOTHER RESOURCE. The Mississippion is informed that certain arrangements have been effected between our government and certain parties of the French government to supply this government and our people with salt in return for cotton. The French Federal authorities at New Orleans to land the salt at Manchae. No particulars are stated, except that eight sacks of salt are to be exchanged wes the opinion that this arrangement will

the transit of the cotton, when it is forfor this purpose, will not be interrupted. present necessities, to inquire too nicely into the part which Yankee officials play in the matter, or what direction the cotton takes after It is delivered, one main object being to secure a sufficient quantity of salt to guard against future emergencies.

COLONEL JOHN D MARTIN. We have read with interest the proceedings of a meeting of the officers of the brigade lately commanded by this gallant officer, called to pay a proper tribute to his memory, and regret that

nesseean-served gallantly in the Mexican war. credit to himself and to his State. In his last engagement at Corioth, as we learn from the mon ruin? statement of his officers, his brigade was deredo back a few paces and commanded "Attenspirited manner: " Men of the 28th, you are vanced to the front of the brigade. They stead. wand of an enchanter. ily advanced, no regiment wavering, although

NEW OBLEADS.

A gentleman just from New Orleans reports a can state of effeits in that city. The rule of the tyrant is strictly enforced, and his edies upon local affairs are represented to be as obnoxious as his general orders upon public allegiance, is being rigidly enforced All are "enemies," and sent beyond the F deral lines. Physiness he reports as entirely prostrated.

BUTLER has attempted his first experiment with his negro brigade. One regiment, fully armed and equipped, and officered by whites, was sent out along the coast. As they were labor. One would suppose that after the expergreatly deficient in drill, and accompanied by iments made in Jamaica and Hayti, there an extensive train of empty wagons, it was would be nothing more desired as to the possi- dated Indianapolis.
